

Newsletter 07.02.08.

LOST PROPERTY will be out on display at 3.30pm today in the library. All unclaimed items will be recycled.

Year 3/4 Cake Sale. Last Thursday's cake sale raised £30 for school funds. Many thanks to Allison Done for organising and running the sale.

School Nurse. Gina Bishop will be available on Monday 25 February between 1.00 and 2.30pm to discuss any issues or concerns about your child's health. If you would like an appointment to see Gina, please book at the school office.

Parent Partnership Service Roadshow Seminars for Parents. The Parent Partnership Service is running free seminars (on SEN/Racist/Homophobic/Cyber Bullying) for parents on Tuesday morning 4 March in St Neots. Further details/booking forms are available on the display table opposite the school office.

Anti-Bullying Website. Cambridgeshire County Council has just launched a new anti-bullying website providing information for parents, young people and schools and can be accessed at www.cambridgeshire.gov.uk/bullying.

Half Term Activities. Family Events at the Sedgwick Museum of Earth Sciences, Downing Street, Cambridge:

- **Twilight at the Museums**, Wednesday 13 February, 4.30-7.00pm. Admission free, no booking required, open to all. Bring a torch and explore six museums after dark in a special family evening of torchlight trails and activities (Sedgwick Museum of Earth Sciences, Museum of Classical Archaeology, Whipple Museum of the History of Science, University Museums of Zoology, Museum of Archaeology and Anthropology, Scott Polar Research Institute Museum);
- **Curious Collectors**, Saturday 16 February 10.00am-4.00pm. Find out about some of the famous collectors who helped build the Sedgwick Museum. Join in a new investigative art activity and create your own curious collection. Suitable for all ages. Free, no booking required, just drop in;
- **Earth Talk – Discover Darwin**, Saturday 16 February 1.30-2.30pm. Two interactive short talks about fascinating new research into Charles Darwin's work as a geologist. Recommended for children aged 6 and over. Free, but please ring (01223 333456) or email (sedgwickmuseum@esc.cam.ac.uk) to guarantee a place.

Calling all Scientists! As usual, St Luke's would like to take part as fully as possible in this year's Science week (10-14 March), so we are asking all parents with a science background or job if they could come in to talk to, or share an activity with, the children. We want to get your children hooked on science! If you are interested in any way, please let your child's teacher or Miss Haiselden know as soon as possible. We look forward to hearing from lots of volunteers. (Details of the annual science challenge will follow after the half term holiday.)
